Organised by Jewel Heart Malaysia

*His Eminence Kyabje Ling Rimpoche* was born in 1985 and recognised at the age of two, as the incarnation of H.E. Kyabje Yongdzin Ling Rimpoche (1903-1983) who was the senior tutor to His Holiness, the present Dalai Lama. He was the 97<sup>th</sup> throne holder of Je Tsong Khapa and was regarded as the manifestation of Yamantaka, the wrathful aspect of Manjushri. The Ling lineage has had many other manifestations extending back to the time of the Buddha. In this glorious incarnate lineage three incarnations were throne holders of Je Tsong Khapa and three were tutors to the previous 13<sup>th</sup>, 12<sup>th</sup> and 6<sup>th</sup> Dalai Lamas. The present Kyabje Ling Rimpoche is the 7<sup>th</sup> in his lineage. H.E. Kyabje Ling Rimpoche began his monastic studies at the age of four and in 1990 he enrolled at Drepung monastic university to study the five major sects and many other commentaries. The respect accorded to H.E. Kyabje Ling Rimpoche is not confined to the Gelug tradition alone but also by the Kagyus, Nyingmas and Sakyas. And now for the first time H.E. Ling Rimpoche and his entourage of 11 lamas including three Rimpoches, brings precious blessings to Malaysia. At the advise of our kind and beloved Guru, Kyabje Gelek Rimpoche, Jewel Heart Malaysia has requested for oral transmission and teachings of Ganden Lha Gyama and Foundations of All Perfections and Kyabje Ling Rimpoche has agreed to our request. His Eminence Kyabje Ling Rimpoche's previous incarnation was Kyabje Gelek Rimpoche's root guru and His Eminence's presence with Jewel Heart Malaysia is by this great karmic link.

**Ganden Lha Gyama & Foundation of All Perfections.** The root of one's spiritual path and source of blessings in order to succeed in one's spiritual training is Guru Yoga practice. This teaching is based on the most famous text by Je Tsong Khapa called *Foundation of All Perfections*. This very essential and powerful teaching consists of very few words but it is an extremely extensive subject matter – containing all of the main points as outlined in the more extensive commentaries of the Buddhist tradition. This teaching is suitable for both beginners as well as seasoned practitioners of the Buddhist path.
